Jim, would you like me (and Gerardo) to review the draft minutes from our meeting in Fresno as well?

Tung

Gerardo, Tung, Cassie, Dave, John and Anny,

The next CAPCOA Engineering Managers meeting will be by August 20 and 21, at the Yolo-Solano AQMD office in Davis. We greatly appreciate the support you have given us in the past, and the willingness to give updates to our group. I wanted to see if you, or someone from your office, would be available for our August meeting?

I've attached the draft agenda, showing the times we would like to hear from each of you. Let me know if these will work, and if you have anything specific you would like to discuss that is not currently on the agenda.

Let me know if you have any questions about this, and I hope to see you in Davis.

Thanks,  
Jim

All,

In preparation for our next Engineering Managers meeting, please find attached the draft agenda and action item tracking table, as well as the draft minutes from the last meeting in Fresno (thanks, Amy Roberts!).

Please review, and let me know if you have anything to add to the agenda. I will reach out to EPA and CARB to verify their availability.

Juan, William and Dave – we have you scheduled for your respective committee/sub-committee updates on Tuesday, August 21, between 10:30 and 11:15 am. Let me know if that day/time won't work for you.

If you haven't yet made your hotel reservations (count me in this group), there are 2 hotels within walking distance:

Holiday Inn Express, 1640 Research Park Drive  
La Quinta Inn & Suites, 1771 Research Park Drive

Or, if you want to be on the other side of the freeway:

Hyatt Place UC Davis, 173 Old Davis Road  
University Park Inn, 1111 Richards Boulevard

Thanks,  
Jim
